### ***Examiner's Statement of Reasons for Allowance***

1. Claims 1, 4-6, 10 and 12 are allowable over the prior of records.
2. The following is an Examiner's statement of reasons for the indication of allowable subject matter: Claims 1 and 10 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior arts. As for claims 1 and 10, prior art fails to teach a bridge is externally from the core logic 104 as claimed i.e. a first AGP bus is coupling to a bridge and the bridge is coupling to the first extended bus and the second AGP bus for converting mutually and compatibly signal data between the first, second AGP and extended buses.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
